Dear Ms. Green:

Your advertisement in the Spring Green Times was very intriguing, as it indicated that your school district is in need of an experienced Teacher. My extensive experience as an educator appears to be an excellent match for your district's needs.

During my outstanding career as an instructor, I have been recognized for developing an innovative program that encourages students' critical thinking skills, cultivates leadership abilities, and promotes lifelong learning. The highly acclaimed program has been mirrored by numerous educators across my district.

It is my belief that I could make an immediate contribution to the students in your district. Moreover, it is my hope that we may explore the possibility further.

Please accept my resume in consideration for your district's teaching position. I look forward to discussing my interest in the position as well as how I will be able to most effectively contribute to your district.

Etti Simon
